

## Multidiagnostic camp at village Dehne, Taluka Khed

A multi diagnostic camp was held at village Dehne in Khed taluka on Friday the 16<sup>th</sup> of December 2016 .

A total of 276 patients benefitted from this camp & were attended to by specialists in Gen medicine ,Gen Surgery, Obstetrics&Gynaecology, Paediatrics , Orthopaedics , Dentistry & Ophthalmology.

The camp was organized as part of our extension services for CSR activities for Mercedes Benz India Pvy Ltd.

Almost 100 patients out of these will need further investigations & treatment on indoor basis.

The same will be followed up with the help of Mercedes Benz & the NGO " Shashwat " , which works in Khed taluka.
