POGS INTERCOLLEGE UNDER GRADUATE QUIZ CONTEST

“COMPETITION MAKES US BETTER AND IT DRIVES INNOVATION”

The Obstetrics and Gynecology preliminary written quiz was held for all the final year students at the department of Obstetrics and Gynecology, MIMER Medical College. Out of which 10 top scored students were selected for the POGS intercollege under graduate quiz contest held on 24th March 2019. It was jointly organized by POGS and AFMC, Pune. It was held at AFMC, Pune. Six medical colleges participated in the quiz.

Elimination round was held out of which three students from our institute were selected to form a team, and represent in the final phase of the competition. There were extensive 6 rounds in the final phase of the quiz and our students Merlyn Verghese, Asmita Deshmukh and Mamta Deshmukh performed excellent. MIMER Medical College won the second prize. MIMER Medical College and department of Obstetrics and Gynecology is proud of the students- “Live boldly, fearlessly. Taste the relish found in competition –by putting forth the best within you.”
